## I - INTRODUCTION

This is a project to establish a safe area in the Totes Gebirge area, Central Austria, in which to base escape and evasion operations, and also, to establish an escape and evasion route.

## II - COMMUNICATIONS COMMITMENT

Circuits : 1.) One (1) agent circuit from Totes Gebirge Area to United Kingdom.

2.) One (1) backup circuit to North Africa contingent upon base station facilities being established, as expected, in that area.

Equipment: 3.) Three (3) agent radio sets.

4.) Crystals, signal plans and ciphers for the above circuits.

Training : 5.) Training of two (2) W/T operators will be given provided that OPC can furnish interpreters, training areas, and house-keeping facilities, or, in the alternative, send the trainees to an established training area.

## III - COMMUNICATIONS LOGISTIC SUPPORT

### 1. Personnel

No additional communications personnel required.

### 2. Equipment

All equipment will be supplied from existing Office of Communications stock.

### 3. Finance

Support of this project will cost the Office of Communications approximately the following:

~~TOP SECRET~~  
SECURITY INFORMATION

~~TOP SECRET~~

-2-
